

San Vincenzo Ferreri Church
Sora, Italy

March 11, 2020

To whom this may concern,

Mass and Reconsecration for San Vincenzo Ferreri Church – COVID-19

Considering the recent travel advisory to Italy, the trip scheduled in April of 2020 for the Reconsecration and Mass of the San Vincenzo Ferreri Church has been **postponed**.

We realize that this decision will impact the community, and we know that many of the events and other gatherings that have been postponed are those that families and friends were looking forward to.

Postponing these events is consistent with guidance from the Federal Government's, Government of Canada Travel Advisory and health authorities, and we believe it is a prudent and responsible step to take at this time.

The safety, health, and well-being of our family and friends is a high priority.

Families and friends in our community can best support by washing hands frequently, covering mouths when coughing or sneezing. Those experiencing symptoms of the cold or flu should stay at home, for a prudent period of time. If you are concerned about symptoms, please consult with your healthcare provider.

The rescheduling date for the trip, will be provided at a later time.

Thank you,
Associazione San Vincenzo Valleradice Club of Toronto
